

The Colonial Hills Courier

November 2007

Happy Fall Colonial Hills; the neighborhood has been filled with laughter, leaves changing and lots of raking! With old and BIG trees comes many leaves, luckily the City of Worthington provides the wonderful service of picking up our leaves for us; so don't forget to get them to the curb and not in the street for they cause the storm sewers to clog and back up. *The final City Wide sweep will be November 26 – 30th. Please check with the Dept of Public Services for additional information.*

The Pumpkin Carving Party and Kids Halloween Party was great fun this year and special thanks to Trina Williams for making it happen and Rosealie Hoover for being our Storytime Witch – I think all the parents were amazed to see their children sit in a trance for so long. She also led the parade around Selby Park and handed out It's the Great Pumpkin DVD to all children which were donated from an anonymous past resident of Colonial Hills. If you missed it this year you certainly won't want to next year.

Colonial Hills Civic Association Fall Food Drive

Please place non-perishable food items on your front porch on Sat November 10th by 10:00am and volunteers will come by to pick them up and distribute them to local Worthington residents in need. Alternatively, donations can be dropped at 474 Loveman Ave anytime before Nov 10th. Have questions or want to volunteer to help? Please email chca@colonialhills.us

ANIMAL CONTROL

We have several critters running around our community, some our pets and some wild. We please ask that if you do have pets that you can clean up after please do so and be courteous neighbors. If you are feeding the "wild" such as raccoons, squirrels and any other animals that might affect your neighbors please talk to them first, they may be cute however they can also be very destructive to homes, trash cans and also can cause health issues.
