

COLONIAL HILLS CIVIC ASSOCIATION, INC.

April 6, 1960

SPRING DANCE

Our annual Civic Association Spring Dance will be held at the Beechwold Restaurant on Saturday, May 14, 1960 from 10:00 P.M. to 1:00 A.M. There will be several, worthwhile door prizes, as usual, and winners need not be present. Tickets are now on sale and can be purchased from your District Trustee for \$1.50 each. Bob Motzer's Orchestra will provide the music.

Arrangements have been made with the management of the Beechwold Restaurant whereby they will supply the mixes, ice, soft drinks, potato chips and pretzels during the time of the dance. The cost of this service is \$.60 per person and is to be paid when entering the dance. This has not been done in the past but your Trustees feel this should result in a saving to each of us over the course of the evening. The management further advised this would eliminate any need for tipping. Of course, this arrangement will require a mandatory contribution of \$.60 from each person attending the dance. If you have any questions, contact Warren Bennett (TU5-7448) Dance Committee Chairman.

This dance is one of our major money-raising projects so don't let your Civic Association down. Buy some extra tickets and invite your friends who do not live in this community---let them know what a good group of people live in Colonial Hills. Engage your baby sitter early as they may be scarce about dance time, Saturday, May 14th.

MEMBERSHIP

If you haven't already received your 1960 membership, please contact your District Trustee or Bill Campbell TU5-8238. Let's all become members and a part of a much needed organization in Colonial Hills.

SELBY PARK

Have you all noticed our sign at Selby Park? Thanks to Bob Caine. He will be keeping us up-to-date on Civic Association activities. WATCH THE SIGN!

The playground equipment at Selby Park will be ready for use very soon. It is now being painted and repaired.

SPRING IS HERE

This means things are beginning to grow and we would like to suggest if you have trees or shrubs near the streets which may be a driving hazard, keep them well trimmed. We have several children playing in the streets so anything we can do to protect them should be done.
