## Neighborhood Celebrations bring out the best

They came, they paid, and they ate! The first ever "**Neighborhood Appreciation**" party/membership drive on October 23 was a great time for everyone there. The food was delicious, and the neighbors were great. We collected a lot of memberships, got some new volunteers, and had a chance to make some new friends and renew some old ones. Thanks so much to everyone who attended. We hope to make this an annual event, so if you were there and would like to make a suggestion or two, feel free to let us know. Thanks to the following sponsors who generously supplied pizza and/or subs for the party:

- Mike Rubadue – Villa Nova Ristorante
- Jim Evans – Pizza Mart
- Mike & Susie – Franco's Pizza
- Mike Alexander – Guido's
- Gram Holmes – Pizza Hut
- Greg Gottemoeller – Donato's Pizza
- Cal Markin – PaPa John's Pizza

Without their spirited community support, this event would not have been the success that it was.

**The annual Halloween** party once again hosted an array of goblins, ghosts, mummies, and other assorted scary creatures. The weather helped out by clearing up enough at 6 PM so that the hayride wasn't too wet, and the magic show was able to go on as scheduled.

Thanks to the following businesses that donated food, gift certificates or cash for supplies for this fun event:

- Just Pies – for yummy donuts
- Big Bear @ Graceland
- Kroger @ Worthington Mall
- Drug Emporium @ Graceland
- Traci Wylly

The donations, along with funds collected from the annual membership drive make this a fun and free event for everyone in the neighborhood. It is a fun and safe way to celebrate fall and Halloween, and just one other way to get that "neighborhood" feeling.

Thanks to all of you who spent your Friday night decorating, or your Saturday night volunteering at this event. **You're great!**

## Membership drive off to a good start

The pizza party helped a lot, and our neighbors have been sending in their donations since the first coupon was printed in the Courier. So far, we are at about 25% response rate.

There is another membership form printed on page 3. You still have time to send it in by the December 1 deadline. After that, the trustees will be knocking on your door to see if you would like to join this year.

Take this opportunity for one last chance to update your listing in the Directory. It is about 90% complete, and will be going to print very soon, so if you need to update, this is your last chance!

# HomeSharing – a great housing option

HomeSharing, a non-profit program serving Columbus and Franklin County since 1985, is a great housing option for older adults; people with disabilities and single adults for all ages. HomeSharing matches people who have space in their homes with others who need affordable housing. Each match must involve at least one person who is an older or disabled adult. Sometimes one sharer helps the others with chores or errands. All applicants are interviewed and have background checks. HomeSharing is operated by Northwest Counseling Services. For more information, please call HomeSharing at 221-4663.

Call 221-4663 for HomeSharing info.

Letters to the editor can be submitted to anyone on the Courier committee, see pg. 4.

## Letters to the Editor

Dear Colonial Hills Neighbors,

As a Colonial Hills resident, with no animals, I find it increasingly frustrating to find dog poop covering my front and back yards. It makes no sense to me why people don't keep their dogs restrained in some way when they are not supervising them. If they are permitted to run free, they will poop in your neighbors yards. For those of you who do leash your dogs – Thank You. I know it must be frustrating to have your dogs bothered by unleashed dogs while you are walking, running, etc. with them. So please, if you have a dog, respect your neighbors right not to have one and accept the responsibilities that come with having one. Sincerely – Frustrated.  
(This person's name was withheld by their request).
