Thanks to all of you who helped to brighten up the Holidays with your displays of lights and decorations, and for putting the Luminaria out on the 22nd. The neighborhood looked great!

And a special thanks to the anonymous judges who spent a couple of their evenings driving around and judging the decorations.

Open Districts in need of Trustees

There are six districts in Colonial Hills that are in need of trustees. Duties of the trustees are not very time consuming. It mostly consists of collecting membership dues each year, passing out the luminary at Christmas, and the new directories every two years. The rest of the volunteer commitment you give depends on your time.

You do not have to live in a particular district to be that district's trustee.

If you have an interest in serving as a trustee, please call Mike Sahr at 433-0378

The open districts are:

District #1

175 - 318 Kenbrook Drive

District #21

496-584 Colonial Ave.

District #30

251 - 322 Loveman.

District #35

164 - 238 E. Selby Blvd. and
5549 - 5573 Foster Avenue.

District #36

45 - 150 E. Selby Blvd.

District #37

5607 - 5646 Selby Court.

Briar Rose to celebrate Candlemas Festival

Briar Rose Children's Center will be having a Candlemas Festival on Saturday, February 5 from 5 - 7 PM. All are invited! We will be dipping beeswax candles, hearing a story, taking a Lantern walk through the neighborhood and having refreshments. The children at Briar Rose Children's center have been making colorful lanterns for our lantern walk, and have been making beeswax candles which will be for sale at the Festival. We enjoy taking walks through the neighborhood and hope that many of you, our neighbors, will join us for our Candlemas Festival.

If you have any questions, please call 431-6000. Briar Rose Children's Center is located at 636 Chase Rd. on the corner of Indianola and Chase Rd.

The Puzzler is back:

1. My cousin Ed got soaked while he was walking on the street yesterday. He did not have an umbrella or a hat, so when he got home, his clothes were completely wet. However, not a hair on his head got wet. Why?
2. What is there in the middle of a cigar?
3. Mary Smith was born in Albany in 1938, on a date not divisible by 2, 3, or 5, and in a month that does not contain the letters "e" or "i." When does she become one year older?

1. Poor old Ed is bald! 2. The letter "g"! 3. On her birthday.
