SEPTEMBER

President's Letter

Our September 14th meeting will be one of our most important meetings of the year. First off this meeting is our Trustee meeting at which all trustees are needed to come and pick up your membership kits so you may collect from your district. The last couple of years we have seen our membership collections start to increase again so we want to keep this momentum going.

Another event that will be taking place will be the officer elections. Anyone interested in running for one of the four positions can attend this meeting and run for the position. Any resident of Colonial Hills may run for one of these positions.

The third major item that will be voted on at this meeting will be the luminaries' displays future. There have been many opinions and suggestions on what should be done with this event, keep it, change the way it is done or get rid of it altogether. This is a very sensitive topic in this neighborhood and is one that we would like as much participation and input from the neighborhood on as possible.

I ask that if you attend one meeting this year that you try to make it to this one. With the officer's elections, membership kits and the luminaries' decision being made, it is one that can shape the way our Civic Association works in the future.

I hope to see you Wednesday.

Bill Diehl, Colonial Hills Civic Association President
