Colonial Hills Soccer for Tots A new soccer program will begin on **April 19th at 6-7pm** and will continue every Thursday through June 21st. This will be a **NO COST** program for the children of Colonial Hills ages 3-4. I would like to expand these sessions to a 5-6 year old age group based on responses.

- These training sessions will not focus solely on technique, but simply center around creating a fun and non-intimidating place for kids to grasp the very fundamental elements of the game.
- **Eric Klopfer** will be championing these training sessions **with the help of other volunteers**. Eric has been coaching for 10 years. From U8 to U18 club teams at the highest levels to High School JV and Varsity teams.
- **Volunteers and Donations are welcome and encouraged: Donations of any kind, snacks, treats, volunteers for play and coaching.**
- Parents are strongly encouraged to get involved in the games and training.
- Equipment needed weekly: Size 2-3 soccer ball, water bottle with name, cleats or gym shoes, positive learning attitude.
- Please respond quickly with ages of children interested and any type of donations to **Ericfutbol@aol.com**

The more responses the more trainings we can set up!

In Remembrance: Marty Jones, Foster St. resident, age 59, passed after a brief battle with cancer. Marty was a Colonial Hills school room mother, neighborhood babysitter, and Girl Scout leader, sharing her passion for service to the poor, environmental stewardship, and equality. In her second career, Marty combined her gift for educating with a keen interest in other cultures, teaching Spanish at Brookhaven High School, Linworth Alternative Program, Worthingway Middle School, and Olentangy Middle Schools. Marty is survived by her husband, John; daughters, Tricia (Srinivas) Narayanabhatta and Rebecca (Candace) Gingrich-Jones; parents, James and Patricia Render; mother-in-law, Elizabeth Clark; siblings, Ann (Walter) Render, Trigg (Kathryn) Render, Mary Hayes (Barry) Herman; and many nieces and nephews.

Mrs. Finney would like us to also remember Gretchen Gullick Harris of Sparta who used to live at 463 N. Selby

who died recently. Gretchen Gullick is survived by a sister in Colonial Hills. Also a former longtime N. Selby resident, Clovis Dawson passed November 2011, after being in a single passenger plane accident just north of Columbus.

Rain Barrel Demo: Provided by FLOW and coordinated by **David Patton**, will be at the Selby Park Shelter House April 14th. You can find more information online and a chance to sign up at <http://www.franklinswcd.org/columbus-rain-barrel-program/>

Colonial Hills Block Watch

To keep up to date with current crime activity, join the block watch, email group online at www.colonialhills.us or contact David Nadolny, 175 Kenbrook Dr., dnadolny@columbus.rr.com, or sign up at www.crimereports.com or the new Worthington website <http://www.worthington.org/list.aspx>

To report suspicious activity, call the Worthington Police Department 885-4463.

The Neighborhood Watch Program is Up and Running! Most of the Volunteers are approved for Captains on your streets.

Now we just need YOU, our neighbors to get on board and commit to help!

There are 3 Ways You can Commit to be Involved in Colonial Hills Neighborhood Watch Program:

1. Become a Block Watch Captain! This Very Small Commitment Includes; attending a few meetings a year and communicating information to your block section when needed. Just a few more spots needed. If you are interested contact David Nadolny at dnadolny@columbus.rr.com or **come to the next meeting Wednesday April 11th, 7-8pm at the shelter house.**
2. Become a Member of the Colonial Hills Block watch! Membership is very EASY. By committing to the block watch program you are agreeing to be neighborly and will contact the police when you see suspicious activity. Additionally, you will receive a weekly email report from the Worthington Police detailing the weekly crime report in the area for your use. To sign-up, send your name, address and contact information including email address and telephone to David Nadolny, dnadolny@columbus.rr.com IF YOU DO NOT USE EMAIL, THIS MONTH'S COURIER WILL BE LISTING THE CAPTAIN'S INFORMATION IN YOUR AREA. CONTACT THEM FOR ALTERNATIVE METHODS.
3. If options 1 and 2 seem too much of a commitment for you, then option three means that you will agree to be "A Friendly Neighbor", and continue to contact the Worthington Police on all occasions!

TAKE A BITE OUT OF
CRIME

Worthington Police # 885.4463

Emergency: 911

The Colonial Hills community block watch was formed to help combat crime in our immediate neighborhood. **Many CH neighbors have already signed up to be members and captains.** We are grateful for this commitment! Recently the watchful eyes of a CH neighbor spotted criminal activity, reported it to Worthington Police and the criminal was apprehended quickly; Proof that a block watch approach is effective.

The duties of a **block watch member** are simple:

- watch for suspicious and/or criminal activity and report it to Worthington Police
- be watchful of neighbors' homes and property when they are away
- practice safety and security measures at your home (close garage doors, lock house and car doors, remove valuables from cars and yard)

The duties of a **block watch captain** include all those of members plus:

- plan regular meetings for captains
- help to advertise the block watch initiative
- communicate with neighbors in designated watch area that do not have internet access to keep them informed
- recruit new block watch members

When easy access to valuables is reduced or eliminated criminals tend to go elsewhere. It is success that keeps them coming back.

The CH block watch also receives information from Worthington Police to help keep block watch members abreast of criminal activity in Worthington as a whole. Information received from WPD is circulated to members via an email distribution list once weekly. Special alerts are sent out as needed when specific criminal activity is noted within Colonial Hills. Those individuals who do not have access to the internet may receive notification by phone or in writing as arranged with respective captains.

A recent accomplishment of the block watch is the installation of signs at entry points to Colonial Hills. Signs are now posted in the following locations by the WPD indicating there is a neighborhood block watch in effect:

- On East Selby as you enter Colonial Hills from High Street, after the apartments near Morning St. intersection
- On Indianola, on the east side of the street before South Selby, right by the Welcome to Worthington sign
- On Park Blvd as you come down the hill and curve around to the left from Hartford
- On Foster Ave just south of East Selby Blvd
- On Andover by Selby Park, just north of South Selby Blvd (NW corner).
- On Greenwich near the entrance to Colonial Hill Elementary School

Below is a listing of those individuals who have volunteered to be captains and their assigned areas. Contact information has been provided and captains will be happy to discuss any concerns and answer any questions you may have.

The OSU Class, Resources of the Recent Past, taught by Nancy Recchie & Jeff Darbee, nrecchie@columbus.rr.com 614-221-0358 (office) had their final presentation of student findings, March 7th, and based on the information found during the class and presented in a report (available at colonialhills.us), it appears that our Colonial Hills neighborhood may be eligible for listing as a historic district in the National Register of Historic Places (NRHP). This distinction would be the third district in Worthington, (Rush Creek and Old Worthington) and would not come with any restrictions on the property, just added prestige and a few rights to preserve the community.

Colonial Hills appears to qualify for historic district status under the NRHP's Criteria A and C, and it possesses the level of integrity required for National Register listing. Under 2 criteria, only 1 of which is required to be listed as an historic district.

Criterion A: "associated with events that have made a significant contribution to the broad patterns of our history."

Criterion D: "have yielded, or may be likely to yield, information important in prehistory or history."

An additional report will have to be conducted to be eligible for this distinction. Pursuit of this will have to be in combination with the CHCA, the City and a professional over a two year period if designation is desired.
